Measures for disinvestment already taken include setting up of Disinvestment Commission to spearhead the implementation of the programme, closing down of 5 Sugar Mills and setting up of De-regulation Commission.

Measures already taken for decentralisation and restructuring include transfer of 80,000 government employees belonging to the health, water supply, civil supply and irrigation Departments and 3,00,000 Primary teachers to Local bodies, amendment of appropriate Act/Rules to enable Local Panchayats to operate and maintain tube wells, introduction of a hiring system for Teachers and Health workers so as to reduce the unit cost of providing such services, abolition of 7,000 posts and initiation of action on zero-budgeting. Institutional reform measures already taken include setting up of an Electricity Regulatory Commission to oversee reforms in the Power Sector, setting up of a Utility Regulatory Commission for the Water sector, announcement of a New Road Policy with emphasis on privatisation & cost recovery measures, setting up of a Road Fund in the Transport Sector and an Infrastructure Initiative Fund for the development of the Industrial sector.

(d) The reform measures being undertaken would help to strengthen UP's financial position in the long term.

DEPARTMENT OF ADMINISTRATIVE REFORMS AND PUBLIC GRIEVANCES OF THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS AND MINISTER OF STATE OF THE DEPARTMENT OF DISINVESTMENT (SHRI ARUN SHOURIE): (a) to (c) Yes, Sir. The survey has been conducted for the period July, 1999 to June, 2000. The Planning Commission estimates the percentage of persons living below the poverty line at national and state level from the large sample surveys on consumer expenditure conducted by the National Sample Survey Organization (NSSO) at an interval of approximately five years. The last such survey was conducted in 1993-94. As such, the estimates of percentage of people living below the poverty line in Himachal Pradesh for the last five years are not available. These are also not available at district level at NSS consumer expenditure data are not available at district level. As per the latest available estimate, 28.44% of the people lived below the poverty line in Himachal Pradesh in 1993-94. There is a three-pronged action to alleviate and reduce the poverty in the country including the State Himachal Pradesh. These are (a) acceleration of economic growth, (b) human, and social development through literacy, education, health, nutrition, meeting of the minimum needs, elevation of social and economic status of the weaker sections of the society, etc., and (c) direct attack on poverty through employment and income generating programmes and assets-building for the poor.
